

NORTHWEST FLORIDA MATHCOUNTS®

MATHCOUNTS is a national program that provides students the opportunity to compete in live, in-person contests against and alongside peers. The event is sponsored by the Northwest Florida Chapter of the Florida Engineering Society. The goal is to promote the development of future leaders in Science, Technology, Engineering, and Math (STEM).

SPONSORSHIP

Check out our fun sponsorship tiers below!

\$125 Student Sponsor: Support the participation of a student in the competition. Have your logo placed on the MATHCOUNTS page and on the day of slideshow.

\$250 Team Sponsorship: Support an official team of the competition with your logo standing tall on the team's table. A logo will also be posted to the MATHCOUNTS webpage and small company name will be included on the t-shirts.

\$500 Mathematician's Toolkit: Providing the tools these young mathematicians need is one of the best ways to promote STEM and your business! Help provide supplies like pencils, erasers, and spare calculators. Your logo will appear on exclusive day of signage, the t-shirts and all other promotional material. Also includes logo on the website and logo on the day of slideshow.

\$500 Lunch Sponsorship: Proper nutrition to fuel the powerful brains of the students is one of the key factors in their success! Help cover the cost of lunch for the students for the day. Your logo will be highlighted with exclusive signage at the lunch table as well as logo placement on the t-shirt and all other promotional materials. Also includes logo on the website and slideshow.

\$1000 State Champion Sponsorship: These students are reaching for the stars and a state championship! This level of sponsorship assists in covering the cost of sending the winning teams to the state competition. Benefits of this tier include large logo on t-shirts, 1 year logo placement on FES home page, logo on day of slideshow, mentions at the competition, and logo placement on day-of banners.
